Dinner Symposium Event: ID CPDE9219

Final Programme
Dear Friends and Colleagues

On behalf of the Malaysian Society of Allergy and Immunology, we have great pleasure in extending our invitation to participate in the 19th Malaysian Congress of Allergy and Clinical Immunology, in collaboration with the Global Allergy and Asthma European Network (GA²LEN) on 5th - 7th April 2019, at the Le Meridien Kuala Lumpur, Malaysia.

As allergic diseases continue to be a global health problem, MSAI has not spared efforts to push the agenda of Allergy being made a sub-speciality or a stand-alone specialty through various programmes with the recent one being the National Clinical and Immunology Symposium and the Dasar Baru workshop with the Ministry of Health Malaysia.

The collaboration with the Global Allergy and Asthma European Network (GA²LEN) is a first for MSAI and we are proud to announce that the GA²LEN-MSAI Allergy School, is being held for the first time in Malaysia. This would not only provide a good platform as a learning experience but it will also be an opportunity to exchange ideas and expertise, whilst creating a mutual networking atmosphere for the betterment of our patients with allergic diseases.

The programme for 5th April 2019 would be dedicated to our annual congress and would involve topics (presented in symposia and workshops) distinct from the GA²LEN-MSAI Allergy School. The programme for 6th and 7th April 2019 will be focused on Updates on the Management and Treatment of Urticaria and Allergic Rhinitis.

For participation as a sponsor for 5th April 2019, please refer to the Sponsorship Prospectus. Day 2 and Day 3 programme is a fully sponsored programme by Menarini Asia-Pacific.

In view of the GA²LEN-MSAI Allergy School we expect a good turn out from various disciplines of medicine viz Allergy, Immunology Paediatrics, ENT, Dermatology, Respiratory, General Practitioners and Allied Health staff, not only from Malaysia but from the neighbouring countries too.

Looking forward to your participation.

Thanks and regards.

Yours sincerely

Dr Amir Hamzah Dato’ Abdul Latiff
MBBS, MMed (Paeds), MRCP (Ire), DipRCPPath (Imm), AM (Mal), FACAAI, FAAAAI
Fellowship in Clinical Immunology & Allergy (Leeds UK)
President

Cancellation and Refund Policy on Registration Fees

The Secretariat must be notified in writing of cancellations. Refund will be made after the Congress according to the following guidelines:

- Cancellation on or before 10th March 2019 - 50% will be refunded
- Cancellation after 10th March 2019 - no refund

For payments made directly into our bank account, please send us a photocopy or scanned copy of the pay-in slip as proof of payment, along with your registration form. Forms without registration fee will not be accepted for registration.

Guidelines for Submission of Abstract

1. Application to present an oral or poster presentation is open only to registered delegates. All presenting authors must be registered delegates. Completed application forms and abstracts must be returned to the Congress Secretariat together with the necessary Congress registration fees before 10th March 2019.

2. Submission of a paper does not constitute registration for the Meeting unless it is accompanied by the registration form and payment.

3. Abstracts are subject to approval by the Organising Committee of MSAI. Submitting authors are reminded that the Scientific Programme Committee reserves the right to select or reject papers for presentation.

4. The Organising Committee will inform authors of the status of their submission by 15th March 2019 by e-mail. Alternatively authors may also contact the Secretariat by e-mail for verification.

5. Selected abstracts will be sent for e-publishing.

6. Poster presenters ought to submit an abstract as well.

CALL FOR FREE PAPERS

Participants of the Congress are invited to present free papers for oral and poster presentations on any topic related to Allergy and Clinical Immunology.
